

Manufacturer's Certification Statement

For products purchased after January 1, 2011

This Manufacturer's Certification Statement can be relied upon by taxpayers for verification that certain Windsor Windows & Doors products are eligible for the tax credits identified in the American Recovery and Reinvestment Act of 2009 and House Bill HR 4853. Products eligible for the credit are listed in the Energy Performance Search Tool on the Windsor Windows website at www.windsorwindows.com.

The IRS requires that the manufacturer be identified. Windsor Windows & Doors, a division of Woodgrain Millwork Inc., is headquartered at the following address: Windsor Windows & Doors, 900 South 19th Street, West Des Moines, IA 50265

All exterior windows & doors that meet the following criteria are eligible to receive a tax credit:

- Must be "placed in service" from January 1, 2011 through December 31, 2011.
- To qualify for the tax credit, windows and exterior doors must meet Energy Star program requirements.
- Must be for taxpayer's principal residence.
- Maximum amount is 10% of purchases up to a lifetime cap of \$500 with a maximum \$200 for windows and \$500 for exterior doors. See Footnote 1 below.
- The IRS has not specified documentation requirements at this time. For record keeping, save your receipts, product labels and this Manufacturer Certification Statement until such time the IRS finalizes the documentation process.

¹ Installation costs are NOT covered by the tax credit for windows or exterior doors.

All Windsor quotes also provide the U-Value and Solar Heat Gain Coefficient information necessary to determine eligibility for this credit.

The preceding guidance is not intended as legal advice, and you should consult a tax professional with specific questions and visit the Energy Star website at www.energystar.gov for further information. Windsor Windows & Doors assumes no liability regarding the ability of the homeowner to obtain tax credit.
